<b>Accessibility Subcomm.</b>		Victor O.
<b>Web Site/Master</b>		David W.
<b>Registration Committee</b>		JohnMichael G.
<b>Translation Committee</b>		Antonio L.

### From There to Here

Sometimes it amazes me that Area 93 is entering its fifth year! It seems like yesterday that Marita came back from the Conference and told us that the new Area request had been granted.

When I entered into General Service as a GSR, I had no idea where this journey was going to take me. If you are a new GSR, let me tell you some of the benefits that I never knew would come my way:

Business skills learned – (this is the funniest part, whoever thought AA would teach me business skills)- I have learned some computer programs like Quickbooks and Excel while serving as Area Treasurer, how to create and open an email attachment, I have learned how to deal with banks on a corporate level always keeping in mind that the banker often knew we were part of AA, I have learned how to secure a hotel for a large event. These were not lessons I was looking for but are certainly valuable.

Management skills- while reading Concept 9 prior to each Area Committee Meeting and Area Assembly, I realized that many of the ideas contained in the concepts could sure help me in my workplace, a place that has been my largest challenge since I have been sober. We now make many decisions based on discussion and we hear the minority opinion with respect (I sure can't explain it that way to the staff) and I have learned that I need to really listen. I learned this and much more while serving as Area Chairman.

Life and Love: I have a circle of people that I love and respect that I have served with for a number of years. These people probably would never have entered my life if it were not for general service. What a joy it is to be surrounded by people who are passionate about AA and give freely of their time and often, finances, without a second thought because they have found a way to try to give back what this program has given to them. I have also met people from all the Western states including Hawaii and Alaska (our Pacific Region) and people from different parts of the world at PRAASA.

AA is very different in other places but the basics remain the same and the excitement and joy and love that I feel at each PRAASA reminds me that we share a common problem and a common solution.

So I eagerly look forward to my continuing education as your Alternate Delegate. Thank you for that opportunity!

Debbie J, Area 93 Alternate Delegate

=====

### *From the Desk of the Area Secretary:*

First, I'd like to thank all of you for giving me the opportunity in serving this Fellowship that has given so many of us a new way of life. Giving some of my time to AA and Area 93 is my way of showing my gratitude towards this fellowship. I will continue to serve Area 93 the best I can. I look forward in working with all the new DCM's, GSR's, Committee members and our new Area 93 panel.

Jess A.  
Area 93  
Recording Secretary

### **PRAASA 2006**

The PRAASA 2006 Planning Committee will be meeting on **2<sup>nd</sup> Saturdays at the Ventura Central Office; 321 Aviador St.; Camarillo, CA 93010.** The meetings will **start at 10:00am.** Area 93 is putting on the PRAASA 2006. Lets support our Area 93 and be of service to the Planning Committee.

=====

## 2005 International Convention

*Here are some important points regarding border crossing into Canada.*

“ \* Visas are not required for U.S. Citizens or legal residents of the U.S. to enter Canada.

“ \* Both the Canadian and United States immigration officials strongly suggest attendees get passports as the ideal document of proof of citizenship but, for U.S. citizens, an original or certified birth certificate with a piece of photo ID will suffice.

“ \* Obtaining a passport alone does **not** free anyone from having to go through the application process for admissibility to Canada if they have criminal convictions in their past. More information about this is available on [www.cic.gc.ca](http://www.cic.gc.ca) or by calling a Canadian Consulate office – here is a list of offices in the U.S. that address questions related to this matter.

### Concepts – Long Form

**Concept I** – The final responsibility and the ultimate authority for A.A. world services should always reside in the collective conscience of our whole Fellowship.

**Concept II** – When, in 1955, the A.A. groups confirmed the permanent charter for their General Service Conference, they thereby delegated to the Conference complete authority for the active maintenance of our world services and thereby made the Conference – excepting for any change in the Twelve Traditions or in Article 12 of the Conference Charter – the actual voice and the effective conscience for our whole Society.

**Concept III** – As a traditional means of creating and maintaining a clearly defined working relation between the groups, the Conference, the A.A. General Service Board and its several service corporations, staffs, committees and executives, and of thus insuring their effective leadership, it is here suggested that we endow each of these elements of work service with a traditional “Right of Decision.”

**Concept IV** – Throughout our Conference structure, we ought to maintain at all responsible levels a traditional “Right of Participation,” taking care that each classification or group of our world servants shall be allowed a voting representation in reasonable proportion to the responsibility that each must discharge.

**Concept V** – Throughout world service structure, a traditional “Right of Appeal” ought to prevail, thus assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will be carefully considered.

**Concept VI** – On behalf of A.A. as a whole, our General Service Conference has the principal responsibility for the maintenance of our world services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Conference also recognizes that the chief initiative and the active responsibility in most of these matters should be exercised primarily by the Trustee members of the Conference when they act among themselves as the General Service Board of Alcoholics Anonymous.

“ \* If a member has one DUI/DWI that is 10 years or older, they may be deemed admissible to Canada but they should check with a Canadian Consulate or Embassy. It has also been suggested, to be on the safe side, if someone has any type of paperwork that shows the disposition of their case, they might bring a copy with them to the border.

“ \* If an individual has two or more DUI/DWIs and/or other types of criminal convictions in their past, **no matter how long ago they occurred**, they should call a Canadian Consulate or Embassy or go to the Canadian Immigration Web site at [www.cic.gc.ca](http://www.cic.gc.ca) for complete information on any forms and fees that may be required to obtain the appropriate documentation. It is important to start **now**.

“ \* Also, members should mark their application on the front page, top right-hand corner with ‘2005 Convention.’ Canadian Immigration officials have let us know that this is an internal mechanism for them to let the reviewing agents know that these papers are time sensitive.

Hope to see you in Toronto! ”

=====

It is no coincidence that the very first Step mentions powerlessness: An admission of personal powerlessness over alcohol is a cornerstone of the foundation of recovery. I’ve learned that I do not have the power and control I once thought I had. I am powerless over what people think about me. I am powerless over having just missed the bus. I am powerless over how other people work (or don’t work) the Steps. But I’ve also learned I am *not* powerless over some things. I am *not* powerless over negativity. I am *not* powerless over assuming responsibility for my own recovery. I have the power to exert a positive influence on myself, my loved ones, and the world in which I live.

**Concept VII** – The Conference recognizes that the charter and the Bylaws of the General Service Board are legal instruments: that the Trustees are thereby fully empowered to manage and conduct all of the world service affairs of Alcoholics Anonymous. It is further understood that the Conference Charter itself is not a legal document: that it relies instead upon the force of tradition and the power of the A.A. purpose for its final effectiveness.

**Concept VIII** – The Trustees of the General Service Board act in two primary capacities: (a) With respect to the larger matters of over-all policy and finance, they are the principal planners and administrators. They and their primary committees directly manage these affairs. (b) But with respect to our separately incorporated and constantly active services, the relation of the Trustees is mainly that of full stock ownership and of custodial oversight which they exercise through their ability to elect all directors of these entities.

**Concept IX** – Good service leaders, together with sound and appropriate methods of choosing them, are at all levels indispensable for our future functioning and safety. The primary world service leadership once exercised by the founders of A.A. must necessarily be assumed by the Trustees of the General Service Board of Alcoholics Anonymous.

**Concept X** – Every service responsibility should be matched by an equal service authority – the scope of such authority to be always well defined whether by tradition, by resolution, by specific job description or by appropriate charters and bylaws.

**Concept XI** – While the Trustees hold final responsibility for AA’s world service administration, they should always have the assistance of the best possible standing committees, corporate service directors, executives, staffs, and consultants. Therefore the composition of these underlying committees and service boards, the personal qualifications of their members, the manner of their induction into service, the systems of their rotation, the way in which they are related to each other, the special rights and duties of our executives, staffs, and consultants, together with a proper basis for the financial compensation of these special workers, will always be matters for serious care and concern.

**Concept XII** – General Warranties of the Conference: in all its proceedings, the General Service Conference shall observe the spirit of the A.A. Tradition, taking great care that the Conference never becomes the seat of perilous wealth or power; that sufficient operating funds, plus an ample reserve, be its prudent financial principle; that none of the Conference Members shall ever be placed in a position of unqualified authority over any of the others: that all important decisions be reached by discussion vote, and, whenever possible, by substantial unanimity; that no Conference action ever be personally punitive or an incitement to public controversy; that though the Conference may act for the service of Alcoholics Anonymous, it shall never perform any acts of government; and that, like the Society of Alcoholics Anonymous which it serves, the Conference itself will always remain democratic in thought and action.
